OFFICE OF PETITIONS
ON PETITION

This is a decision in response to the petition, filed January 16, 2007, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned for a failure to reply in a timely manner to a non-final Office action mailed March 8, 2006. This decision precedes the mailing of a Notice of Abandonment. On January 16, 2007, the present petition was filed.

The petition is found to comply with the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) a reply to the outstanding Office action; (2) the petition fee of \$750.00; and (3) the requisite statement of unintentional delay.

It is noted that the address given on the petition differs from the address of record. While a change of address accompanied the present petition, it cannot be accepted since it is not signed by all the inventors as required by 37 CFR 1.33. If appropriate, a proper change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

The application is being referred to Technology Center AU 2162 for consideration of the response filed January 16, 2007.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
